

Scale Rule = 1'-0" per tic

NOTES:

1. All units on 1'-6" centers or multiples or as noted
2. All twofering is suggested. LD can specify alternate twofering if needed
3. Centerline and Plasterline follow seams in the Masonite/Duron deck
4. Dimmer 38 non-operative
5. Spares D30 - There are two circuits that could be twofered to gain 2 circuits (ch 42, 43)
